

My Goals:

- User-Friendly Interface: Design a user-friendly interface with intuitive navigation to ensure a seamless and enjoyable user experience. Prioritize responsiveness to accommodate users across various devices and screen sizes.
- Portfolio Showcase: To give an informative information about me.

My Plan:

- Content Organization:
Categorize content based on topics such as HTML, CSS.
- Interactive Elements:
Buttons that are clickable and directs to any link.
- Responsive Design:
Utilize responsive web design principles to ensure optimal viewing on various devices.
Test the website on (Brave) browser and (iPhone XR, iPhone 12 Pro, iPhone 14 Pro MAX, iPad Pro, iPad Air, iPad mini) device to guarantee compatibility.
- Project Showcase:
Design a visually appealing portfolio section to showcase personal projects.
- Feedback Mechanism:
Implement a feedback mechanism for users to provide input on content and suggest improvements.
Regularly review and incorporate valuable feedback.
